And no one sits at the desk.

JUNIPER (V.O.)

That a serial killer named Vevirett Paige found the two boys at a turnout, near the location of a previous kill.

The vulture, FLEEING through the woods.

JUNIPER (V.O.)

Allegedly, Paige had been on mammalian continent on the run from avia, where he was a former concubine.

A mammalian appears with a gun.

JUNIPER (V.O.)

He was discovered by a mammalian who threatened to kill him.

A dead body, and a manic look, eyes wide, on the vulture's bloodsoaked face.

JUNIPER (V.O.)

That's how it started.

4 EXT. COURT - DAY**4**

BELINDA and JANE, Louis and Juniper's mothers, fight, yell, scream. A freeze frame. Their vicious jaws.

JUNIPER (V.O.)

The mothers came together and fought hard, but due to was inconclusive evidence, the vulture wasn't found guilty.

Order in the court.

Belinda and Jane hold hands, now sharing the space.

JUNIPER (V.O.)

How funny.

Belinda.

JUNIPER (V.O.)

One mother had tried her absolute hardest to keep her son happy, at the cost of his sister's affection and love.

Jane.

JUNIPER (V.O.)

Another had tried to shield her son from the world, but ended up pushed him right into the eye of the storm.

The friends packing up. Then, Adeline speaking to a podium

JUNIPER (V.O.)

Their friends canceled the tour, and Adeline- an avian herself- came under fire when Paige was released.

She sings. Eve is in tears.

JUNIPER (V.O.)

So she dedicated her performance to the boys.

Petunia walks up to the podium.

JUNIPER (V.O.)

injustices...

6 EXT. VARIOUS LOCATIONS - DAY

6

Playback at the dinner table.

JUNIPER (V.O.)
Ultimately, aside from a recording
or two, history kept it to itself.

A funeral at Seymour's.

JUNIPER (V.O.)
But for a moment, the families- big
and small- were united in grief.
Across size, species, class.

Hazel stands, dissociated, holding a cup of punch.

JUNIPER (V.O.)
The families committed to an earnest
living. As earnest as could be. They
got ready for the world to end...

7 EXT. GRILLZY'S - DAY

7

Ernestine puts in her two weeks, her hat off to the side-

JUNIPER (V.O.)
As happy the end of the world could
be.

As Petunia and Rosaline pack for their internships.

8 INT. LOUIS'S HOUSE - DAY

8

Sunset. It's quiet.

The grass in the yard is painfully orange.

BANG. BANG. BANG.

The muffled voice of her ex, SIENNA, fills the empty
house.

SIENNA (O.S.)
Hazel!

BANG BANG BANG.

Spices are fit into boxes.

SIENNA (O.S.)
You better fucking pay me back!

BANG. BANG. BANG.

SIENNA (O.S.)

Hazel!

9 EXT. ATM MACHINE - DAY

9

Hazel places a card in. A question onscreen:

ATM MACHINE

Withdrawal will place a 3% tax on-

Hazel presses OK. \$50 comes out.

10 EXT. WESTSIDE - DAY

10

Hazel walks back with the \$50 in hand.

11 EXT. CORNER STORE - DAY

11

Hazel walks around the corner store, breathing heavy.

She's dressed in a red outfit, from GRILLZY's.

She turns the corner.

Sienna is in front of her. He rushes her.

And PINS her to the fence.

SIENNA

Where's my money, huh? Where's my money?

HAZEL

I have it-

Hazel takes out \$50 from her pocket and hands it to Sienna.

Sienna walks off without a word. Hazel brushes off her shoulder, then turns around.

Sienna's already gone.

12 INT. LOUIS'S HOUSE - DAY

12

Hazel drops off her cap on the desk. She continues to pack.

She turns on the news, alone.

INFLUX OF IMMIGRANTS- BULLOCK WILL SEND THE UNDOCUMENTED HOME.

BULLOCK
We will work hard, we will work
smart, to ensure this country is as
well-protected as can be.

Hazel shuts off the TV. She's hyperventilating already.

The door opens. HENRY, her father, walks in- closes the
spice box, packs erratically.

Grabs the tub titled: UPYCLED FUR.

It's empty.

HENRY
Hazel, can you clean Louis's room?

HAZEL
Sure, Dad.

Hazel turns the corner and enters.

Hazel begins taking piece after piece down.

She glances at the bed where Louis and Juniper laid.

She grabs a book. Opens it. Her stare holds. She closes
it, wipes her forehead.

13 EXT. LOUIS'S HOUSE - DAY

13

Box goes in the rental truck.

HENRY
(sniffles)
You're gonna bring these to Mom,
she's on the edge of town.

Hazel nods. She gets into the truck and begins driving.

She stops.

14 EXT. TRAIN TRACKS - DAY

14

The tracks are going. A train runs through it. Cargo, left
and right.

15 EXT. FERGIE'S HOUSE - DAY

15

A distant HOOT.

FERGIE, a fox, packs the band items. His father, FRANK,
comes out.

FERGIE
Can you put these in my room?

Labeled DRUMS, MIC, KEYBOARD.

Frank nods, heads inside.

Fergie turns around. It's EVE, a rabbit.

Fergie scratches his head.

FERGIE

What's up?

16 EXT. TRAIN - DAY

16

Fergie grabs Eve's hand. They sit on the train together.

FERGIE

How's your sister?

EVE

The doctors say she's gonna have to
spend a few months in recovery.

(a beat)

They said it was pneumonia. She's
fine, so...

Fergie nods. Hugs Eve.

EVE

You? How's your weird dad?

FERGIE

(inhale)

I'm almost done packing, but I think
he doesn't like acting all...

EVE

Wishy-washy?

Fergie chuckles.

FERGIE

Dax's staying at home with his mom,
if you wanna visit. Jam sometime.

EVE

He says he doesn't wanna do play
anymore.

FERGIE

Well, you still play guitar, right?
As like, your alternate thing?

Eve shrugs.

FERGIE

Maybe you can talk him into it.

EVE

Maybe. Have you heard from Quisha?

Fergie shakes his head.

FERGIE AND EVE

(in unison)

She's around, I bet.

FERGIE

But um.. Eve...

Eve glances over.

FERGIE

If you, uh, wanna stay in the cities
for a couple 'o nights...

EVE

Thanks.

Fergie nods. The two stare into the city.

EVE

What are the odds we get crushed to
death when we jump off this thing?

FERGIE

God fuckin' damn it.

Eve and Fergie laugh.

17 **EXT. DOWNTOWN - DAY**

17

While the train clears and Hazel's truck crosses into
downtown:

PETUNIA and ROSALINE, beaver and otter, sit side by side,
ice cream in hands.

PROTESTOR

When I say fix it, you say pay us!
Fix it!

CROWD

Pay us!

PROTESTOR

Fix it!

CROWD

Pay us!

Petunia and Rosaline hold signs, anti-Bullock signs.

Across the street, other people holding up signs:
vultures, with a red X.

Petunia and Rosaline stare at the signs, then theirs.

They aren't the only ones eating ice cream. Many protesters are eating, sharing food, sitting recreationally.

PETUNIA

Rosie, you're still going into law, right?

Rosaline nods.

PETUNIA

Good luck.

Rosaline smiles.

PETUNIA

I'll miss you in Cicada. Come home often.

ROSALINE

I will.

The two hold hands and rub foreheads, in front of the screaming noise.

18 EXT. CHURCH - DAY

18

The car passes by the eastside hill.

The same old janitor sweeps by.

19 INT. JUNIPER'S HOME - DAY

19

SEYMOUR, Juniper's father, stares at a portrait of the family. He frowns, then his head drops to the floor.

JANE, his wife, with LAUREL, their daughter, go down the stairs.

20 INT. CHURCH - DAY

20

The now-small family holds hands.

PRIEST

For all the evildoers...

FAMILY

Pray for us.

PRIEST

For all the selfish...

FAMILY

Pray for us.

PRIEST
For all the misshapen hearts and
beliefs...

FAMILY
Pray for us.

Seymour is righteous and indignant. Jane is straight and
humble. Laurel is detached and bowed.

21 EXT. BUS STOP - DAY 21

The car WHIZZES past a sign. TALENS TO FJORD.
It remains empty.

22 INT. RENTAL TRUCK - DAY 22

Hazel travels down, in silence.
She glances at the window.
The clouds are overhead, as always.

23 EXT. EDGE OF TOWN - DAY 23

Just before a sign: "YOU'RE LEAVING TALENS"
She stops, exits. In front of her is a large move-out
truck. BELINDA, her mother, stands before it.
They unload supplies into the larger truck, packing one by
one.

BELINDA
You know, Hazel, we never got to go
anywhere for your high school
graduation. So where do you want to
go?

HAZEL
Can we go to Grillzy's again?

Belinda nods.

24 INT. GRILLZY'S - DAY 24

The sun sets. The mother, father, and daughter sit in a
bench.

HAZEL
I'll take the family style dinner.

Eve, taking their order, nods. She heads to the backstage.
Behind the counter, another rabbit- HARLEY- works.

Eve busses and waits earnestly. But Harley notices her.

BELINDA

Hazel?

Hazel glances up.

BELINDA

I'm sorry we never talked about this. But when you graduated high school, did you have a dream?

Hazel sits.

HAZEL

I wanted to start a restaurant.

Belinda nods.

HAZEL

Why?

BELINDA

I was just wondering.

Hazel nods, holding back a tear.

The dish comes back fast.

EVE

Hi. I bumped it to the top of the queue. You can thank me later.

Hazel smiles.

EVE

I heard. Um... I heard agents are coming tonight.

HAZEL

Yeah. We gotta be out of town by 8PM.

(smiles)

Thanks.

Eve and Hazel hold hands. She waits other people.

The same rich dog sits at a corner table. Hazel and the others listen in.

DOG

When's my order?

EVE

Five minutes.

DOG

Is that the tone you should be using?

EVE

I'm sorry. I'm just really obsessed with the number five, I've loved it since I was a kid and I just... Sometimes I use that with so much audacity that it offends people sometimes. No really! I don't mean any harm, I just...

Eve's voice trails off. Hazel and the bears chuckle.

Eve goes backstage. Harley walks up to her.

HARLEY

Well look who's here, bussing.

EVE

Can you get out of the way?

Eve passes Harley.

HARLEY

Are you done pretending you're some superstar who's gonna take over the world?

Eve turns around. She glances at Harley's spots.

EVE

Why?

HARLEY

Why what?

EVE

Why do you talk to me that way?

HARLEY

Because you're one of the ghetto westside rabbits.

EVE

And you're one of the rich eastside rabbits?

HARLEY

Duh. I don't go around sleeping with people like all the broke bitches in westside do.

Eve crosses her arms.

EVE

Really? You think I'm a slut? Do you think I'm a slut.

Their coworkers turn around, ready for a fight.

Harley glances around.

EVE

I'm not asking for a fight, I wanna know. Let's talk. Do you think I'm crazy? That I'm stupid?

Harley opens her mouth, but doesn't say anything.

EVE

It's okay to think that. If you wanna think that, go ahead.

Harley turns around and keeps working. Eve follows her.

HARLEY

Get out of my way. You're disgusting.

EVE

Not once-

Eve touches Harley's shoulder. She spins around.

HARLEY

Don't touch me. Don't you dare-

EVE

Not once have I told you that you are less than me!

Eve stares Harley in the eye. Her stare softens.

EVE

Not once! And throughout all the yelling in class, not once did I get at you.

HARLEY

You told me to shut up, you never took notes, you barely even tried.

EVE

I struggled a lot in school. A lot.

Harley stares at her. She spreads a slight, politely detached smile.

HARLEY

Well I'll keep that in mind. Go back to work, bitch.

Eve takes off her hat, SLAMS it on the counter. Grabs it and wears it again.

25 INT. GRILLZY'S - NIGHT

25

Hazel glances at Eve bussing. She passes the check to her, signs it.

They drop a \$10 bill.

Eve takes it.

Hazel nods at her.

26 INT. GRILLZY'S - NIGHT

26

With the bill in her pocket:

Eve and Harley undo their aprons.

HARLEY
So how'd you struggle?

EVE
Derivatives.

Hayley laughs.

HARLEY
Those are easy.

EVE
Derivatives, integrals, anything
precalc-related.

HARLEY
(laughs)
Yeah, no wonder you're never making
it out of this town.

They fold their apron.

EVE
You?

HARLEY
I didn't struggle.

Harley leaves the room. Eve quickly packs a box of leftover veggies, then dashes after her.

27 EXT. GRILLZY'S - NIGHT

27

Eve, holding a plastic bag, clad in uniform, rushes after Harley, who stands at the parking lot.

HARLEY
(rolls eyes)
I'm getting picked up by my Dad.

Eve stands next to her. Her eyes dart for a second.

Harley just stands there.

HARLEY
I don't talk to poor people.

EVE
Tell me about-

HARLEY
I just said.

EVE
-a time when a poor person pissed
you off.

Harley holds, then stares.

HARLEY
When I was in kindergarten, this guy
hit on me.

EVE
Tch.

Harley stares down at the ground.

HARLEY
I mean, I didn't realize he was
hitting on me.
(nods)
He poked me over and over again.
Tried to ask for my name. It was the
first day of class. And he was big
and brown. Kind of ugly.

EVE
I know someone big and brown.

HARLEY
Where'd you meet him?

EVE
High school.

The wind blows.

EVE
Louis.

Harley places her finger on her chin. She tries to
remember...

But nothing comes to mind.

The wind blows.

HARLEY
That's a funny name.
(shrugs)
Maybe I'll run into him sometime.

Eve glances, at the ground. She stares into cracked concrete.

A car swings by. Harley walks forward.

HARLEY
You have a ride home, right?
Actually... you know what, I don't
know why I'm asking.

Harley gets in the passenger's seat.

EVE
Wait. Um...

Harley glances back.

EVE
No, I can walk.

Harley glances at her dad- then back at Eve.

HARLEY
I'm offering.

Eve nods. Exhausted, she gets inside the backseat of the car.

The car drives off.

28 INT. JUNIPER'S HOME - NIGHT

28

The family walks into the house. Seymour and Laurel go upstairs.

Jane sits on the couch. She grabs the remote, to turn on the TV:

But nothing.

In Jane's room:

She works, writes.

A knock. She opens.

SEYMOUR
(nods)
Mm.

She sits in Seymour's room.

Big, bold Hs everywhere. A desk with a chair.

Seymour sits in an office throne, across him Laurel.

LAUREL
So... You gonna give me the
position, Dad?

SEYMOUR
I mean, what else can I say?

Laurel crosses her arms. She nods.

LAUREL
Not gonna give it to-

SEYMOUR
No one else.
(nods)
Just you.

Laurel's eyes falter.

LAUREL
Dad, how do you feel?

Seymour takes off his glasses.

SEYMOUR
Well, it's a shame.

Seymour chuckles. Laurel follows. The father and daughter's mouths spread into a pained, happy grin.

As they cackle away their family's deaths.

SEYMOUR
Been a hard year.

LAUREL
Been a shitty quarter.

The two laugh, hard.

SEYMOUR
(shrugs)
But life goes on, doesn't it?

Suddenly, the two hear a muffled THRASH in the loft.

Seymour walks out.

Jane is THRASHING THE ALTAR- desecrating it.
Seymour watches her kick, and break, and destroy.

SEYMOUR

Honey?

Jane grabs her purse and LEAVES the house.

Laurel peeks from the room.

SEYMOUR

(sighs)

She's out of her mind, Laurel...

LAUREL

Then you know what to do.

For a moment, Seymour's eyes falter to the ground- but he picks them up, stern. He takes out a slip from his drawer, and Laurel leaves the room with a grin.

29 INT. LOUIS'S HOUSE - NIGHT

29

The rest of the boxes are moved out. A yell from outside:

HENRY

Alright, Hazel, pack it up! They're here!

HAZEL

Okay, wait! Wait, just- five minutes!

BELINDA

Hurry up those five minutes!

Hazel wanders into the kitchen. She opens the dusty cupboards.

The empty living room, where the TV was.

And finally, Louis's room.

As violins builds to a wonderful sting-

She walks to the closet and opens it.

Nothing.

A tear comes out from Hazel's eye. She sniffs.

Then crouches to the floor, hugging herself.

She shakes for a moment.

Then, just like that, picks herself up.

She drags her feet to the door-

30 EXT. LOUIS'S HOUSE - NIGHT

30

As the front door closes.

Before the family gets into the car:

HAZEL

Wait. Wait, just one more thing. I
wanna check on one more thing.

BELINDA

Hazel, come on.

HAZEL

I promise, I promise it's the last
thing.

Belinda smacks her lips. Nods, impatient.

Hazel turns and jogs-

31 EXT. PARK - NIGHT

31

To the park, where the boys are.

Sienna, the black bear, sits with an old friend- KODY- a
kermode bear.

They smoke together.

Hazel gets a glimpse of them smoking.

They're quiet. No words spoken. Then Sienna brings out a
deck of cards.

SIENNA

Hit or stay?

KODY

Hit.

SIENNA

Hit or stay?

KODY

Stay.

Flip. Flip.

Kody wins. Sienna rubs his forehead, slams it on the
bench.

Hazel smiles.

HAZEL
 (flipping off)
 Serves you right, fucker!

Sienna and Kody glance up. Sienna immediately dodges for Hazel- but Kody holds him back.

HAZEL
 See ya, Kody!

KODY
 Good luck, Hazel!

Hazel smiles and runs across the pavement-
 Not looking back.

32 INT. RENTAL TRUCK - NIGHT 32

Hazel gets inside:

33 EXT. PETUNIA'S HOUSE - NIGHT 33

As Eve is dropped off.

She takes one last look at the car, headed for the upper neighborhoods.

Then goes inside.

34 EXT. LOUIS'S HOUSE - NIGHT 34

Yells from nearby houses, as the car drives by:

CIVILIAN 1
 They're here!

CIVILIAN 2
 Immigration is here!

CIVILIAN 3
 Lock your doors!

35 EXT. TRAIN TRACKS - NIGHT 35

The rental crosses the train tracks one last time.

The yells grow distant:

36 EXT. DOWNTOWN - NIGHT 36

Then downtown.

A large, militarized truck PASSES by them.

37 **EXT. OUTSKIRTS - NIGHT** 37

But on the outskirts, they're free.

38 **EXT. BUS STOP - NIGHT** 38

And as the family hurriedly unpacks the rest of their items, at the edge of town, Belinda and Henry glance at each other and get inside.

39 **EXT. TALENS - NIGHT** 39

A sign: YOU'RE LEAVING TALENS.

40 **INT. PETUNIA'S HOUSE - NIGHT** 40

Eve goes inside. Petunia and Rosaline rush her, hug.

PETUNIA

I heard immigration customs is in town. Is your sister gonna be fine?

EVE

I know, I know. No, she'll be fine, but c-can I be dropped off at mine tomorrow, though?

ROSALINE

Absolutely, Christ.

Eve hugs the girls.

HOURS LATER:

The girls put on one last movie, eating popcorn and a bundle of carrots.

The girls paint their nails, chuckling and laughing.

PATTY, Petunia's aunt, passes by with a smile.

In Petunia and Rosaline's bedroom: Boxes. A calendar with a red X. They're leaving tomorrow.

The girls play ball in the house.

PATTY

Careful!

PETUNIA

We know!

The ball bounces- bounces- rustles furniture.

The three girls run to catch it. The furniture bonks Petunia's head. The three girls laugh.

41 **INT. EVE'S HOUSE - NIGHT** 41

ERNIE, Eve's sister, lays on Eve's bed.
She glances at immigration customs at their front door.
They bang, knock, say nothing.

42 **INT. PETUNIA'S HOUSE - NIGHT** 42

Eve's smile fades.

 ROSALINE
 (yawns)
 I guess this is it, then. We'll miss
 you, Eve.

Eve hugs them.
She sleeps that night...

43 **EXT. PETUNIA'S HOUSE - DAY** 43

Then a car leaves the driveway.

44 **EXT. EVE'S HOUSE - DAY** 44

Eve is dropped off. She gives one last wave to her
friends-

45 **INT. EVE'S HOUSE - DAY** 45

Before heading inside.

 EVE
 Ernie!

Eve runs to the bedroom and hugs Ernie.

 ERNIE
 (sighs)
 You picked a shitty day to go to
 Petunia and Rosaline's.

 EVE
 Are you okay?

 ERNIE
 I'm okay.

Eve microwaves the food:

Then places the plastic bag on the table in front of
Ernie.

Ernie COUGHS- but opens the bag, begins eating right from
it.

Eve grabs her guitar and strums it.

ERNIE

Eve?

Eve stops playing.

ERNIE

No, play.

Eve begins again.

ERNIE

When Mom and Dad died...

Eve stops- then continues.

ERNIE

They told me we were at war.

Eve chuckles while she plays.

ERNIE

One day, when you're done taking
care of me, and I'm fine on my own
again...

Eve continues playing.

ERNIE

I don't want you to burden yourself
with me anymore. I want you to go to
the city, and fight that war.

Eve's eyes lift.

ERNIE

Fight it, with that little guitar
and big voice of yours.

Eve smiles.

ERNIE

So maybe one day we'll win it.

Eve nods. She continues playing.

EVE

Don't worry, Ernie. I plan on it.

Ernie smiles. She eats her food as Eve continues to play.

As her guitar fades, and she inhales:

She breaks into an old, folk-like tune.

46 INT. JUNIPER'S HOME - DAY

46

EVE (V.O.)

I...

The altar's pieces, swept into a dustpan.

Jane reads.

"PETITION FOR DIVORCE"

Jane slowly nods. She glances up at Seymour.

They don't hug.

Jane just turns around and leaves.

47 EXT. EVE'S HOUSE - DAY

47

Eve just holds the vibrato. Clear. Pure.

As an older version of herself exits the house, running from an invisible predator.

48 INT. PETUNIA'S HOME HOUSE - DAY

48

Petunia and Rosaline lie in Cicada, holding hands.

They sit up as an old friend, a platypus- GANKE- leans into the room.

They rush him and hug.

EVE (V.O.)

(softens)

Was in love with you-

49 EXT. DOWNTOWN - DAY

49

Eve rushes through downtown.

50 INT. DAX'S HOUSE - DAY

50

Dax helps his mother walk through the hallway, holding her by the arm.

EVE (V.O.)

(shakes)

Not before I left.

51 EXT. OUTSKIRTS - DAY

51

Eve rushes through the outskirts.

52 INT. QUISHA'S HOUSE - DAY 52

As Quisha does a girl's nails... APPLICATIONS FOR LAW
SHOOLS off to the side.

EVE (V.O.)
...Lie by my side...

53 EXT. FJORD - DAY 53

Fergie stares out the window, guitar in passenger's seat,
at a looming city in front.

It's massive.

54 EXT. BUS STOP - DAY 54

Eve sits at the bus stop, waiting patiently for the
lights.

EVE (V.O.)
...Sit idle, abide...

But Eve stares ahead, in front of her:

The ghost of a bear- LOUIS- wandering.

He sits on a rock, dressed in head to toe in a GRILLZY's
outfit.

55 INT. LOUIS'S HOUSE - DAY 55

Louis and Juniper lay on the bed, talking and laughing
about life.

A younger version of Louis plays hide-and-seek with Hazel.
She opens the closet door to her brother leaping at her.

56 EXT. FOREST - NIGHT 56

Louis closing his eyes one last time.

57 EXT. BUS STOP - DAY 57

Louis takes off his baseball cap and smiles at Eve.

And without moving, a single tear falls from Eve's eye.

EVE (V.O.)
I'll come crawling to the cities,
where the sun sets east and west.

The bus overtakes her view. She gets inside.

58 EXT. TALENS - DAY 58

The bus leaves Talens.

A sign: "YOU'RE LEAVING TALENS."

59 EXT. WILDERNESS - DAY

59

Eve brings out her wallet and stares into it- then glances out the window.

At solemn, yellow prairies, and big, toppling mountains.

She closes her eyes.

60 EXT. FJORD - DAY

60

Before opening her eyes, to the city of dreams.

61 INT. EVE'S HOUSE - DAY

61

Eve finishes her solo, and stares at her sister in front of her.

She smiles.

CUT TO BLACK.
