

SEASON 01 EPISODE 07

Homecoming

PETUNIA (V.O.)
Who are you gonna ask for
Homecoming?

1 EXT. TALENS - DAY

1

The city in stillness.

PETUNIA (V.O.)
I mean it. Who?

ROSALINE (V.O.)
Maybe Mark. Or Raymond? But her name
is too similar to mine.

PETUNIA (V.O.)
Rosaline-Raymond? I don't see the
connection.

2 EXT. TALENS HIGH - DAY

2

School lunch. LOUIS, a big bear, sits beside JUNIPER, a
labrador.

EVE, PETUNIA, and ROSALINE- a rabbit, beaver, otter- stick
together.

PETUNIA
(gasps)
What if you invited Ganke?

ROSALINE
Well, which one of us'll he go out
with?

PETUNIA
Both?

ROSALINE
How'll he drive here?

Petunia and Rosaline's voices trail off.

Louis, Juniper, and Eve sit together, quiet, deep in
thought.

PETUNIA
What up, bitches!

The other three snap to.

PETUNIA
Why y'all quiet?

JUNIPER
We're just thinking.

THE BELL RINGS. The three snap to.

3 INT. FERGIE'S GARAGE - DAY

3

Fergie closes the garage.

FERGIE
Did you talk to ASB?

DAX
No, I- I'll get us in a rally. Just
hold on.

FERGIE
Okay, which one?

Eve sets up with Quisha. Neither of them speak.

QUISHA
So you for sure in?

Eve nods.

QUISHA
(whispers)
We were this close to disbanding
last week. You have no idea.

EVE
Quisha?

Quisha nods. They hold hands.

4 EXT. TALENS HIGH - DAY

4

HARLEY, a rabbit, pushes Eve to the corner of the school.

HARLEY
You think you can replace me? Just
you wait. They'll come crying back
for me.

5 INT. FERGIE'S GARAGE - DAY

5

Eve glances up at Quisha. They smile at each other.

QUISHA
(whispers)
Our last singer wasn't that good
anyway.

Eve and Quisha laugh.

FERGIE
Fuck are you two talking about?

Quisha rolls her eyes.

QUISHA
Who you asking out, bitch?

FERGIE
No one!

DAX AND QUISHA
Sure you are!

Eve laughs. The group hits it. One, two, three, four!

6 EXT. DOWNTOWN - DAY

6

Louis and Juniper walk past the streets of downtown. They glance at soiled signs.

Louis has his hands in his pocket.

LOUIS
Who are you asking out?

JUNIPER
Probably some chick named Marsha.

LOUIS
She's got a name?

JUNIPER
Yeah. Got a crush on any bears in class?

LOUIS
There are barely any.

JUNIPER
Just ask out Hazel.

LOUIS
(laughing)
My fucking sister?

JUNIPER
No balls. Incest.

LOUIS
The fuck are you saying?

JUNIPER
(laughing)
I'm just trying to be funny. 'Cause you seem down. What is it?

LOUIS
Errands.
(a beat)
Don't believe me? Come on.

7 INT. HAIR SALON - DAY**7**

Louis walks inside. Belinda sits with the other hairdressers.

BELINDA
Louis, can you sweep?

JUNIPER
No hello? Just...

Louis grabs the mop and begins sweeping the store.

BELINDA
And make sure your friend doesn't
step on any hair?
(whisper)
Hi.

Juniper waves back, a little timid.

As Louis sweeps:

BELINDA
I never got your momma's phone
number.

JUNIPER
Would've been nice if you did.

BELINDA
She didn't wanna give me it! Let's
see...

Belinda showers her client.

BELINDA
This way. No, this way.

CLIENT
You're hurting me.

BELINDA
I'm not hurting you! This way.

Belinda tries to bend the client's head, but her claws are poking out.

8 INT. TAILOR SHOP - DAY**8**

Louis DUMPS the client hair into a bucket.

LOUIS
If you tell anyone about this, I
kill you.

Juniper puts his hands up in the air. He chuckles, pats Louis on the back.

They come out from the supply closet on the other side.

HENRY
Hey, kiddo. You brought June?

LOUIS
Yeah, you good if we do homework?

HENRY
Got a client in 5, but yeah.

Louis and Juniper set up. Louis writes in his notebook. Juniper in his.

HENRY
So Juniper, you been helping my kid study? Stay on track?

JUNIPER
Kind of. Mainly him.

HENRY
Nah, it's you isn't it? You're the one who took out your notebook! See Louis? You barely do anything when you're not in a room with him. Get your shit together, man.

LOUIS
I do stuff when he's not around.

HENRY
Like what?

LOUIS
Draw and shit.

HENRY
Sure you do.

LOUIS
I do!

JUNIPER
(smiling)
He does!

HENRY
(smiling)
Okay, okay. Nice to have you around, June.
(clears throat)
I know we yell a lot, but you're a good kid.

Louis reaches under the table. He nudges Juniper. Juniper smiles.

Suddenly, the door opens. Henry checks his watch.

The guy's five minutes early.

It's none other than SEYMOUR.

Juniper's father.

SEYMOUR

Just wanted to have this suit
fashioned, I want it cuffed on the-

Seymour makes eye contact with Juniper.

His smile fades. He draws it back up.

SEYMOUR

What are you doing here, kiddo?

Henry's eyes go wide. He glances between Juniper and Seymour.

SEYMOUR

Thought you were at uh, Petunia's.
At Patty's.

Juniper's eyes dart

JUNIPER

S-she was busy today, I don't know.

Juniper strokes his hand through his hair.

SEYMOUR

'Kay.

Seymour glances at a TV at the corner of the room. News coverage.

BULLOCK VS ADELINE. Subtitled: GURNICK OUT OF THE RACE.

REPORTER

It's clear right now who the two
major campaign leaders are, Bullock
and Adeline...

Henry changes the channel. A BOLD RED H switches to a simple logo.

Seymour's eye twitches. He glances back at Henry.

SEYMOUR

So how- how much can I pay you to
hem these? Can I get a quote, or...

HENRY
Thirty dollars for the one inch
trim.

Seymour nods.

HENRY
Is- is there a problem with that?

SEYMOUR
Sorry, you're the parent of my kid's
friend, right?

Henry shifts, uncomfortable.

SEYMOUR
How about this? A discount?

Juniper's leg is shaking. Juniper strikes his hair through
his head again.

HENRY
I can offer- w- I gotta check the
policies, you know.

SEYMOUR
Policies?
(sighs)
Okay. Let's say I commision you over
another guy in, say Fjord.

JUNIPER
Dad.

LOUIS
(whispering)
Don't. Don't, it's fine.

SEYMOUR
You know what Fjord is, right?

Henry glances down at the ground, disengaged.

HENRY
I know perfectly well what Fjord is,
sir.

SEYMOUR
Seymour. Call me Seymour. It's a
busy city, you know, there are
hardworking animals left and right,
some big, some small. You gotta look
out for the smaller ones, 'cause
they- they've got fine hands.

Henry blinks. Louis shrinks and blushes.

JUNIPER

(shaky)

Dad, we get it, you're rich. You're being humiliating.

SEYMOUR

Am I humiliating for wanting this hem done by another worker? Any other worker here? Anyone, you know, more reliable?

Henry's large hands are on full display.

HENRY

Sir, respectfully, please hand these over to me and I'll be more than willing to hem them for you. I've been practicing for years, I train the new- I train the new guys-

SEYMOUR

Alright. Okay.

Seymour hands Henry the suit.

SEYMOUR

We'll talk quotes when this is finished.

Seymour stands at the corner of the store. Juniper stares at his page.

He hasn't completed a single problem.

Neither has Louis.

Henry scowls at Seymour. He takes the garment, marks the hemline-

And begins sewing.

Seymour glances at Henry from the corner of his eye.

Henry sweats. He threads the cuff through the machine-

And barely, just barely it comes out-

Wait. It gets caught.

The quietest whisper:

HENRY

(whispering)

Shit...

Seymour continues his glance, poker faced-

HENRY

Hey, Belinda! It got stuck again!

Henry gets up and wanders around the corner.

Seymour grabs outfit after outfit, feeling at it, nodding.

SEYMOUR

So, June, how long?

JUNIPER

How long what?

Silence.

JUNIPER

Since freshman year. Isn't that right, Louis?

Louis just stares at his page.

SEYMOUR

Damn. You two have been hanging out since freshman year. All those times I thought you were at Petunia's-

JUNIPER

I've been at Petunia's, just not every day.

SEYMOUR

What did I tell you about crossing the tracks?

Juniper scoffs.

SEYMOUR

Hm? Answer me?

Juniper starts completing his times tables.

SEYMOUR

What did Mom and I tell you about crossing the tracks? Kid, you listening?

Henry turns the corner. Seymour goes back to hyperanalyzing the suits. Sizing each of them up.

HENRY

Sorry about that.

Belinda helps him sew. She points.

Henry nods, gets it in. He finishes the hem.

He continues around the outfit, cuffing piece after piece...

Until it's done.

Seymour glances at Henry.

Then at the outfit.

Not a single stray hemline. Seymour nods.

HENRY
We charge 20 an hour.

Henry pulls out the tap. But Seymour brings out a \$100 bill.

HENRY
Th-thank... you.

But Seymour stares him right in the eyes. Piercing Henry.

He takes his suit and leaves.

The store goes quiet. Henry clears his throat and gets up.

HENRY
(on phone)
Hey? Yeah, I think I'm gonna need
someone to cover me. Anyone? Rafa?
Okay, see you.

Henry hangs up. He packs his bags and WALKS OUT.

Louis and Juniper sit, alone. Slowly, Juniper continues writing. Then Louis.

Suddenly, a tear falls out of Juniper's eye. Then another.

Louis slowly places his arm around Juniper. Juniper wraps his arms around Louis, hugging, sobbing quietly.

Louis, wide-eyed, glances out the window-

At his dad across the street, walking home.

9 INT. FERGIE'S GARAGE - DAY

9

Fergie and the crew finish playing. They sit on Dax's computer.

FERGIE
After careful consideration... We're
excited to announce- yes!

The group cheers.

FERGIE

The fucking homecoming rally, baby!

Eve laughs.

10 INT. TALENS HIGH - DAY

10

The teacher points to the board.

TEACHER

While smaller avians can fly, it is often a challenge for larger ones to take off. And just because smaller avians can fly, doesn't mean it isn't exhausting.

Louis jots notes. He glances at Juniper in front of him.

Defers back to the page.

11 EXT. CAFETERIA - DAY

11

Louis, Juniper, and Rosaline sit at the table.

Juniper is checking in his backpack for something.

ROSALINE

(whispering)

Do these guys hate me?

Suddenly, Petunia appears out of nowhere.

Leaping and giddy:

PETUNIA

Guys! Guys! Eve's performing with her band at the rally!

ROSALINE

Really? You guys going?

Louis and Juniper briefly glance at each other, then away.

LOUIS

N-

JUNIPER

Sure. Yeah, I'll go.

Walking to the gym, there's a popsicle stick coming from Juniper's bag.

Louis squints at it- but doesn't say anything.

12 INT. GYMNASIUM - DAY

12

The students fill in seats. No particular order.

Louis, Juniper, Petunia, and Rosaline sit together.

ROSALINE
You've heard her sing, right?

LOUIS
A little.

JUNIPER
(in unison)
Not at all.

Louis and Juniper avoid eye contact, again.

Petunia leans in, but:

ROSALINE
(whispering)
Yeah, I know.

Petunia nods. They focus on the crowd.

The announcer holds up the mic-

TEACHER
Football!

The team walks out. Some bears- Louis squints, folds his arms.

PETUNIA
You should try out, Louis!

LOUIS
Why, 'cause I'm a fatass?

ROSALINE
Because you're big and strong and bulky!

Louis smiles politely- back to the stage.

Petunia and Rosaline shrug to each other. It didn't work.

BUT SUDDENLY:

A footballer yanks the mic, shoves it practically into his mouth, and SCREAMS.

The crowd ERUPTS.

Louis and the others jolt- then burst into laughter.

Juniper's arm touches Louis's thigh on accident. He shifts it away.

MONTAGE:

Soccer, tennis, rugby.

Finally:

TEACHER
Get ready for Silverfox!

Petunia and Rosaline cling to one another.

PETUNIA
She's on!

ROSALINE
I know, I know!

The crowd goes unnaturally quiet as Fergie steps out.
Softboyish.

Following: Dax, the weasel, Quisha, the porcupine, and
Eve, the rabbit.

KID
Watch this band be insufferable.

KID 2
Watch them yell into the mic like
the football guys.

The two kids laugh, quietly. Louis glares on.

LOUIS
You got this, Eve...

ON THE GYM FLOOR:

Eve's eyes follow the crowd- she makes EYE CONTACT in the
group's direction. She's shorter than the mic- adjusts it.

The growd goes quiet.

Then, she BOLTS-

EVE
I...

She holds the vibrato. Clear. Pure.

Louis and Juniper's jaws DROP.

EVE
(softens)
Was in love with you-

The crowd roars. Louis grins- Juniper next.

EVE
 (shakes)
 Not before I left.

The band slowly eases in a jazz tune. Fergie, Dax, and Quisha- the bandmates, all grin at each other, excited.

EVE
 ...Lie by my side...

Eve loosens her shoulders and closes her eyes-

EVE
 ...Sit idle, abide...

Then finally, belts, eyebrows narrowed-

EVE
 I'll come crawling to the cities,
 where the sun sets east and west.

Fergie hits a soft, easy riff.

The romantic music LIFTS everyone's eyes- to the distant city, Fjord- now tall, sunny, industrious.

A piano solo, a drum solo, then silence.

The crowd explodes.

Petunia nudges Louis and Juniper. They scream and shout for their friend.

LOUIS
 Eve!

JUNIPER
 Go, Eve!

13 EXT. GYMNASIUM - DAY

13

Eve tries to find Louis and Juniper, but is faced with men and women cheering her.

MAN
 You were so great!

WOMAN
 You're amazing!

Eve's eyes sparkle, bright, shiny.

EVE
 (whispering)
 I'm doing it, Ernie, I'm doing it!

Fergie gives her a thumbs-up.

Suddenly, a proposal occurs nearby. Everyone's attention is directed to them.

HARLEY

Will you be my promposal date?

A tall rabbit says yes. They embrace.

Everyone oohs and ahhs. Eve glares. She glares at Harley, the woman who told her she couldn't.

Eve's eyes dart everywhere. She needs to redirect the attention.

She glances to Fergie. Walks up to him.

The crowd whispers, gasps-

But Fergie is saying hi to kids and hugging them.

Eve stops. She glances at a puddle in the ground.

Then back up at Fergie.

EVE

Good job, Fergie.

Fergie fist-bumps Eve.

THE BELL RINGS- END OF DAY.

14 EXT. TALENS HIGH - DAY

14

Juniper and Louis lean on a railing, on the upper level of F BUILDING.

LOUIS

What do you wanna be when you grow up?

JUNIPER

That's a hard question to answer right now.

LOUIS

Why?

JUNIPER

'Cause it has to do with dad.

The wind blows.

JUNIPER

You?

LOUIS
Also a hard question to answer right
now.

JUNIPER
(smiles)
Why?

LOUIS
'Cause it also has to do with your
dad.

Louis's hand moves toward Juniper.

LOUIS
J-June. What do you say-

PETUNIA
June! She's in E building!

Juniper's eyes dart around- they land on Petunia.

PETUNIA
(points)
E building!

Louis glances at Juniper, his eyes wide and confused.

JUNIPER
Fuck. My god, I can't believe I'm
doing this...

Louis's eyes land on the ground. Then a forced smile.

LOUIS
Go get 'em, dude, what are you
waiting for?

Juniper glances at Louis's hand. He nods, slow. It can
never happen.

JUNIPER
The wind.

Juniper turns and walks down the stairs, into E building.

Louis turns and walks away. He doesn't wanna see it.

15 INT. E BUILDING - DAY

15

Juniper walks into an English room. He brings out a sign.

Another labrador- MARSHA- hugs him. She kisses him on the
cheek.

Petunia cheers, unaware.

16 EXT. GYMNASIUM - DAY**16**

Louis walks by the empty gym. He clears his throat, brings his bag up.

Then he overhears:

Eve's band practicing.

17 EXT. STUDIO ROOM - DAY**17**

They practice outside the studio room, high-fiving.

Louis turns the corner. He waves.

Eve waves back.

EVE

Hey!

Eve runs and HUGS Louis.

EVE

Thanks for everything.

LOUIS

No problem, Eve.

Louis sits with Eve as Fergie performs.

EVE

Since we got the rally, they let us rent out the dance room for free. So we're using our hours.

Fergie borrows the mic. He reenacts the football player yelling into it.

The group laughs.

EVE

Um... So, Louis.

Louis turns to Eve.

LOUIS

Yeah?

EVE

Since you and I are still kind of up in the air with who we're picking and whatnot-

Louis glances ahead.

EVE

Wanna go together? As friends?

Louis's eyebrows raise. He's shocked. But he settles into a soft smile.

LOUIS
You just want someone to walk you home.

EVE
You look sad.

LOUIS
'Cause I didn't have anyone to go with until now.

EVE
(nduges)
Well if you keep being an asshole, maybe you won't.

Louis smiles.

LOUIS
Then I'll stop being an asshole.

Eve smiles.

EVE
Okay. Well, that's all. You can go home now, instead of listening to us yap all day.

LOUIS
Think I'll stay for a bit.

EVE
Mwah!

Eve blows Louis a kiss as she goes back on mic.

Louis glances in the distance. Juniper walks home, holding hands with Marsha.

A dog he just met.

18 INT. JUNIPER'S HOME - DAY

18

Juniper heads inside the house. He sees the suit laid on the table.

He peeks into the kitchen. Seymour is cooking. He plates the meal.

Juniper, shaky, grabs a plate and rice. He places the halibut on.

Without any words, Seymour leaves the house.

Juniper eats dinner alone.

19 INT. LOUIS'S HOME - DAY

19

Louis opens the door. Belinda and Hazel are yelling again.

Henry grabs Louis by the shoulders and leads him into the room.

He grabs a coat off a hanger. A blazer.

HENRY

Try this on.

Louis puts it on. He glances in the mirror.

Henry smiles.

HENRY

You know who's outfit that is?

LOUIS

Uncle Ridge's?

HENRY

Yours.

Louis glances up at Henry, smiling.

HENRY

You know whose it was before yours?

LOUIS

What?

HENRY

Mine.

Henry kisses Louis on the forehead, tosses Louis the rest of the outfit.

Louis smiles, tries it on.

He looks a bit effeminate. But he smiles in it.

And he hangs the clothes in the closet.

FADE TO BLACK.

20 EXT. TALENS HIGH - NIGHT

20

Slow motion:

Talens High winning the homecoming game. Louis, Eve, Petunia, and Rosaline all cheering.

21 INT. JUNIPER'S HOME - NIGHT 21

Juniper fitting the clothes with Jane helping. Jane has a distant expression on her face.

22 INT. PETUNIA'S HOME - NIGHT 22

Petunia and Rosaline fitting their dresses. The door opens to:

GANKE, a platypus and old friend of theirs.

They hug and yell at each other.

23 INT. EVE'S HOME - NIGHT 23

ERNIE- Eve's sister- fastens a necklace on Eve's shoulder.

24 EXT. TRAIN TRACKS - NIGHT 24

The train tracks are empty tonight.

25 EXT. GYMNASIUM - NIGHT 25

Students line up at the gymnasium, one by one.

Louis glances at Juniper. Juniper glances at Louis.

They smile and wave, though in other lines.

Petunia and Rosaline hold hands with Ganke- who's jumping with them, equally as effeminate- and they scream.

EVE

See? Everyone goes with their friends.

LOUIS

I know! I'm gonna let loose tonight!

EVE

You're gonna let loose?

LOUIS

I am!

EVE

Fuck everything!

LOUIS

Fuck the nerves!

Fergie swings by, high-fives and fist-bumps Eve. Then Dax, then Quisha.

FERGIE
Join us before the slow-dance comes
on! Nice seeing you, Lou!

LOUIS
You too, Ferg!
(to Eve)
"Lou?"

Eve smiles.

26 INT. GYMNASIUM - NIGHT

26

The group dances. Reggae comes on. Kids yell at full
volume.

Eve holds up her hands. Louis places her on his shoulders.

LOUIS
Can you see?

EVE
What?

LOUIS
Can you see?

Eve reveals: She had earplugs.

EVE
What?!

Louis laughs and continues the party.

Suddenly, Juniper slips in with Marsha.

JUNIPER
Hey!

LOUIS
(smiling)
Hey!

JUNIPER
Marsha! This is Marsha!

MARSHA
H-hi!

JUNIPER
He doesn't bite!

MARSHA
(nods)
Okay! Hi!

LOUIS
No hard feelings, yeah?

MARSHA
What?!

LOUIS
No hard feelings!

MARSHA
Gnome on ceilings?!

Marsha glances up at the ceiling.

LOUIS
(laughs)
Nevermind!

The group dances. Petunia and Rosaline get into it. Ganke gets down with them.

EVE
Woo!

Suddenly, Louis is swinging Eve around.

Then, Louis is spinning Marsha.

Petunia and Rosaline are climbing Juniper and pointing.

The group dances together in a huge circle.

The night is just perfect.

CUT TO:

The DJ on intermission.

Louis and Eve head to the bleachers to sit.

DJ
Hope you been enjoying tonight,
Talens High!

The crowd cheers. In the corner of the gym, two boys fighting.

Eve and Louis blink, so stimulated.

DJ
With everything going on in the
world, is it nice to get a break
Talens High?!

Noise. Juniper and Marsha standing together.

DJ
Talens!

CROWD
High!

DJ
Talens!

JUNIPER AND MARSHA
High!

On the stands, Eve and Louis glance at the crowd.

LOUIS
I never thought I'd get to dance
with a rabbit.

EVE
Why do you put it like that?

LOUIS
Because back when I was in, like,
elementary... There was this rabbit
who used to bully me.

EVE
You were bullied by a rabbit.

LOUIS
I was a sensitive little baby. I
just moved here.

EVE
From where?

LOUIS
Lakos. It's an island off-

EVE
No, I know Lakos. But what did she
do exactly?

LOUIS
She used to take my lunch everyday
and toss it.

Eve laughs.

EVE
Reminds me of a rabbit who
constantly pisses me off.

LOUIS
(laughs)
Really?

EVE

Yeah. Took my phone and threw it
across the classroom the other day.
Some parents just do a shit job
raising their kids, I swear.

LOUIS

But you're...

EVE

Both rabbits?

The slow song comes on.

EVE

Just because we're both rabbits
doesn't mean we have to get along,
you know. Same with us. Just because
we're not both bears and rabbits,
doesn't mean we don't have to get
along.

LOUIS

Silly, isn't it?

EVE

If anything, I blame it on those on
top. They're the reason why us on
the lower end need to compete. For
land, for space, for resources, for
food. If you and I just had a bit
more money, imagine everything we
could have.

Louis sighs, nods.

Eve misinterprets it- thinks he wants to disengage.

EVE

Sorry. During a dance, I know.

LOUIS

Wanna go outside?

27 **EXT. GYMNASIUM - NIGHT**

27

Louis and Eve move out. No one's watching anymore.

LOUIS

Are you an orphan?

EVE

(pauses)

Who told you that?

LOUIS

My dad's undocumented.

Eve's eyes go wide.

The music stops.

LOUIS
I haven't told June. Or Petunia, or
Rosaline.

Louis holds out his pinky.

LOUIS
But can I trust you?

Eve takes Louis's pinky.

LOUIS
No one told me that. I know because
we live on the same street. And I
memorized the routes back home.

Eve smiles.

EVE
Fuck, man.

Louis and Eve burst into laughter. Loud, unrelenting
laughter.

Both of them smile, then hug.

EVE
Don't you dare, ever, get your
family deported.

LOUIS
I won't. Dumbass.

They let go. Eve takes Louis by the hand and leads him
inside.

EVE
Okay, we're gonna miss the
slow-dance!

Eve and Louis run inside. Everyone's already dancing.

Louis scratches his head.

LOUIS
Wanna just watch?

Eve nods. They sit on a table.

Louis glances at Juniper, dancing with Marsha.

He notices in Juniper's eyes, a sadness inside.

Juniper glances up at Louis. Their eyes lock.
 While Eve brings out her phone to text her sister:
 Louis holds his gaze, then smiles.
 Juniper smiles back. A sad smile.
 The song ends.

28 EXT. TALENS HIGH - NIGHT

28

Juniper joins Louis in the front of the beach.
 Students exchanging social medias.
 Chatter all over.

LOUIS
 You getting picked up? Or...

JUNIPER
 I don't know. Dad's not answering
 his phone.

Juniper opens his messages.
 A text from his mother.
 "DAD SAYS YOU'RE WALKING"
 Juniper closes his phone.

LOUIS
 I mean, it's kind of late. Wanna
 crash at my place?

The wind blows.
 Louis glances at Eve. She's talking with Fergie and the
 band. People surround her.
 Juniper glances at Marsha, talking with her dog friends.
 Juniper nods.

29 EXT. DOWNTOWN - DAY

29

Louis and Juniper walk by broken newspapers. They cross
 into westside, quiet.

30 EXT. WESTSIDE - DAY

30

Juniper turns a wrong corner. Louis grabs his arm and
 pulls him the right way.

Louis clears his throat. He places his arm around Juniper's shoulder.

LOUIS
You cold, man?

Juniper stares into the stars.

JUNIPER
A little.

LOUIS
Eyes on your surroundings.

Juniper glances around.

31 INT. LOUIS'S HOME - DAY

31

Louis opens the door. He peeks into the kitchen.

LOUIS
Mom, June's gonna sleep over.

BELINDA
(sighs)
That's fine...

LOUIS
Is Hazel home yet?

Belinda shakes her head. Louis nods.

JUNIPER
(whispering)
Is she missing?

LOUIS
(sad)
She'll be fine.

The door closes.

Louis and Juniper lay in bed with their suits on. Louis tosses Juniper an XL.

LOUIS
Here. It's Sunday tomorrow, anyway.

JUNIPER
I have church.

LOUIS
Then change back into those.

Juniper smiles.

Louis changes, hops onto the bed. They stare at the ceiling.

Louis is the first who closes his eyes.

Juniper nearly closes his. But then-

SNOOOORE.

Louis begins snoring.

Juniper chuckles quietly. He grabs the headphones from Louis's desk and now-

Blocks out the noise, yet again.

This time with a smile on his face.

32 EXT. TALENS HIGH - NIGHT

32

Tonight, the city breathes.

As the last light turns off.

CUT TO BLACK.
