

SEASON 01 EPISODE 08

Election Day

1 EXT. ELECTORAL COLLEGE - DAY

1

LOUIS (V.O.)
The electoral college works like it
does in the west.

Votes handed in.

LOUIS (V.O.)
There are many provinces and regions
in the mainland.

A map.

LOUIS (V.O.)
Talens is a swing city, with three
districts. Eastside, westside, and
the middle.

The city, partitioned in three.

LOUIS (V.O.)
And whether or not governors redraw
the district lines in east or west's
favor depends on whether those lines
cross the tracks.

Lines change, as does the color of the middle district.

2 INT. GOVERNMENT BUILDING - DAY

2

LOUIS (V.O.)
In any case, the government is over
half canid and bovine combined.

An ox redraws the lines.

LOUIS (V.O.)
So when the lines are approved, so
is the next president.

A raccoon, clad in business shirt and tie, rubs his
forehead.

Disappointed.

3 INT. LOUIS'S HOUSE - DAY

3

BELINDA, a grizzly bear, watches the next election on the
news.

She's biting her claws. Then switching between that and
the TV.

HENRY, her husband, in the kitchen, grabs a piece of
leftovers and snacks on it.

In the living room, LOUIS, son, sits criss cross, doing homework.

And HAZEL, daughter, bursts out of her room.

The door SLAMS.

BELINDA

Louis!

LOUIS

Yeah, Mom! I'll get everything ready!

4 EXT. LOUIS'S HOUSE - DAY

4

Hazel disappears into the streets.

5 EXT. DOWNTOWN - DAY

5

Animals hold up signs, quiet now. FIX OUR SALARIES. VOTE FOR ADELINE. NO ON 53.

Hazel passes by it, unbothered at this point.

She crosses into a bush separating the town between the outskirts.

Hoodie on, ready to smoke.

6 INT. LOUIS'S HOUSE - DAY

6

Louis glances in the direction of the door... Then back to the family.

He helps his mother drape a tablecloth, fix the blinds, vacuum the couches.

Belinda kisses him on the forehead.

BELINDA

Be back by 5.

Louis nods. He RUSHES out of the house.

The door SLAMS, again. Belinda sighs.

Henry turns around.

HENRY

Come watch this, babe.

Henry and Belinda sit together on the couch. Belinda holds out her hand. Henry grips it.

The tub of upcycled fur sits in the garage. But there's no fur in it. There's just water. Water and a small bowl for washing.

They're saving. And it's bad.

7 INT. JUNIPER'S HOUSE - DAY 7

JANE and SEYMOUR, wife and husband, watch the election coverage one last time.

BULLOCK

My final concession to you all is
that we do not concede. The nation
of the Mainland does not concede!
I'm fully committed to bringing this
society into the next future of
prestige it deserves.

The crowd roars.

8 INT. LOUIS'S HOUSE - DAY 8

ADELINE

How can we accept prestige when our
wages are split, our country is
imbalanced? We must correct these
imbalances before there is no one
left to correct them.

9 INT. EVE'S HOUSE - DAY 9

The crowd roars.

10 INT. PETUNIA'S HOUSE - DAY 10

GURNICK

I speak for the hard workers will
keep our country clean for the next
generations to inherit!

The crowd roars.

11 EXT. FERGIE'S HOUSE - DAY 11

FERGIE, a fox, jams with EVE, QUISHA, and DAX- a rabbit,
porcupine, and ferret.

Yells from inside the house:

FRANK

(muffled)

Fuck you, Bullock!

Fergie gulps. The group pauses.

Then claps.

FERGIE
You know what, guys? I don't think
we're getting much done here.

QUISHA
Wanna call it quits then?

Dax and Eve glance at each other. They nod.

The group packs up and the garage CLOSES.

The group walks down the street.

FERGIE
(dusting off hands)
You guys heading home to your
miserable families?

QUISHA
Everything's way too fucking tense,
I'd rather not.

DAX
It's not even funny anymore.

EVE
Well, what else is there to do?
Downtown's... downtown, school's
over, so...

Fergie's eyes light up. He GASPS.

The rest of the group stops. They glance over.

FERGIE
Fuck, you guys wanna try something
crazy?

12 EXT. TRAIN TRACKS - DAY

12

Fergie stands behind bushes. The group glances at him.

FERGIE
Here's what's gonna happen. I'm
gonna jump first, then you guys
follow my lead.

Eve nods, but scratches her head, confused.

DAX
Is this some kind of suicidide pact,
what is this?

FERGIE
You'll see.

Eve and Quisha glance at each other, confused.

13 EXT. DOWNTOWN - DAY**13**

The protest, quiet, marches the streets.

As the five friends meet up and walk downtown.

LOUIS
Who do you think is gonna make it?

PETUNIA
Adeline, or Bullock.

ROSALINE
(sighs)
Gurnick's got no shot.

JUNIPER
Gurnick? What are his policies
about?

ROSALINE
(annoyed)
He's the green candidate.

JUNIPER
Shit, the whole time?

PETUNIA
You don't even know his name?

JUNIPER
I've been paying so much attention
to the Adellock debates that I
didn't even realize.

LOUIS
Adellock?

JUNIPER
Adeline-Bullock.

PETUNIA
See, that's the problem. No one pays
attention to Gurnick.

The group CROSSES a set of bushes.

14 EXT. OUTSKIRTS - DAY**14**

The group pauses. It's forage and green.

LOUIS
We sure this is the right place?

PETUNIA AND ROSALINE
I don't know! You're the one leading
us!

Louis brings out his phone- begins scrolling at maps.
Juniper face-palms.

JUNIPER
(sighs)
Where's Eve, y'all?

15 **EXT. TRAIN TRACKS - DAY**

15

Eve stands before the tracks.
They begin to rustle.

FERGIE
I've always wanted to do this,
y'all. You don't realize how rare it
is for a train to swoop by.

DAX
(whispering)
So this is a suicide pact.

Quisha rolls her eyes.

EVE
Wait a minute. Are we jumping?

Fergie nods.

EVE
I- I can't jump!

FERGIE
You're a rabbit! If anything, you're
the one who *can* jump!

EVE
No, like, I don't wanna do this.

FERGIE
If you don't wanna do this, then go
home.

Eve glances in the distance. Smoke. A HOOT.

EVE
Sorry, how do you know this?

FERGIE
I live by the tracks. And every
year, a train passes by this area
around the same time.

CHUG... CHUG... CHUG...

FERGIE

So you can imagine, when a train
pisses you off your entire life...

CHUG... CHUG... CHUG...

FERGIE

But you've never had a chance to
ride it-

QUISHA

This is some ghetto ass-

DAX

Fergie, are you crazy?

FERGIE

It's like the movies! Guys, what do
we even do when downtown's
protesting and eastside's against us
and westside's fucked up.

Fergie glares at the group, for real.

FERGIE

You think we're just gonna sit in
our rooms watching elections like
our parents did when they were kids?
(claps)
No! You guys, let's have some fun.
Let's do something crazy! While we
can!

Eve glances down at the ground. She crosses her arms- but
doesn't decline.

CHUG... CHUG... CHUG...

QUISHA

I mean...

DAX

Well...

Frank sits down. He hugs his legs.

FRANK

Right. Let's just go back home.

CHUG... CHUG... CHUG...

16 EXT. OUTSKIRTS - DAY

16

Louis, Petunia, and Juniper push through the bushes-
As a train signal BLARES through the land.

HOOT!

17 **EXT. TRAIN TRACKS - DAY**

17

The train comes around the corner. Fergie's halfway down, but Eve stands up.

Dax and Quisha start going down.

Eve walks toward the train. She turns around:

EVE
Pussies!

Eve DASHES.

DAX
Eve, wait!

QUISHA
Are you stupid?!

Eve rushes toward the cargo train. She trips- then gets back up.

Dashing through bushes, through pebbles, she huffs, smiles, screams.

EVE
Wooo!

A slick grin spreads on Fergie's face- as he chases right after.

Quisha takes Dax's hand.

The group rushes to an OPEN CART.

Eve flips, going the other direction.

She runs, runs, runs-

Then HOPS right into the air-

And lands on the track.

BAND
Eve!

Eve pulls herself up.

The train starts speeding up. It HOOTS.

Fergie runs. He dashes-

On the cart!

Dax and Quisha run by, holding hands.

Fergie grabs them, pulls them. His hand slips-

Eve catches Quisha.

They pull everyone onboard.

Panting, Fergie gets up and HIGH-FIVES Eve.

QUISHA

Holy shit. Are you kidding me? That was dangerous!

FERGIE

Big deal. You know what's been dangerous for the past three years? Living by downtown, right next to the protests.

QUISHA

They were never gonna break your windows, dumbass. They were protesting the bitches on TV, not you.

Fergie and Quisha glare at each other.

DAX

Can you two stop? Look!

The group glances into the open world.

It's serene, empty.

Yellow grass and trees.

EVE

It's not the most beautiful, but it's something.

Dax sits on the edge of the train. Eve joins him.

Fergie and Quisha approach the side- sit with them.

Fergie almost plaes his hands around Quisha, but seeing as she's a porcupine, he stops.

Quisha places her hands around his back.

18 **EXT. OUTSKIRTS - DAY**

18

Hazel and SIENNA- a black bear, her boyfriend- sit at the end of a sewer underpass, smoking joints.

Hazel COUGHS.

HAZEL
(whispering)
Fuck...

Sienna keeps hitting. The two lie across from each other.

Hazel closes her eyes and just lifts.

Louis, Juniper, Petunia, and Rosaline cross further into the country. They sit on a rock.

And the group takes a heavy SIGH.

LOUIS
Okay. Listen, we meet back at this rock in an hour, okay?

JUNIPER
Break a leg!

ROSALINE
We will, Dads!

Louis and Juniper roll their eyes, go north.

It's quiet.

LOUIS
You okay?

Juniper nods.

JUNIPER
(chuckles)
I have to ask Dad if I wanna do anything now. All 'cause he saw us at your dad's store.

Louis scratches his head.

LOUIS
All 'cause of that? Damn, didn't realize we were that useless to him.

The boys laugh it off- then their eyes drop to the ground.

LOUIS
Whose idea was it again? To come out here?

JUNIPER
Petunia and Rosaline's.
(nudges Louis)
You know what they told me? They told me that being out here would "help us focus on green policy."

LOUIS

You know what Eve told me? She told me she's been thinking of coming out here for years, but she's worried about serial killers.

JUNIPER

Jeez, that's morbid. What if there are serial killers out here?

LOUIS

Don't say that, we just left Petunia and Rosaline out here!

JUNIPER

Eh, they're from Cicada. If anything, they're probably used to it.

LOUIS

Why, is Cicada like this?

JUNIPER

(nods)

This but prettier.

They push out into:

A PRAIRIE, open and lush.

In the distance: FJORD- a bright, illustrious city.

Louis and Juniper sit down on a nearby rock.

JUNIPER

She says in the north, there are forests and prairies like these, but they're way cooler.

LOUIS

Cooler than this?

Juniper sits, thigh to thigh.

Flowers rustle in wind. Clouds pass overhead.

JUNIPER

Cooler than this.

As Juniper leans on Louis's shoulder.

CROWD (V.O.)

No for Bullock! No for Bullock! No for Bullock! No for Bullock!

PROTESTOR (V.O.)
When I say fix it, you say pay us!
Fix it!

CROWD (V.O.)
Pay us!

PROTESTOR (V.O.)
Fix it!

CROWD (V.O.)
Pay us!

The boys stare on in the distance, at emptiness. Their eyes close.

They rest.

19 INT. LOUIS'S HOUSE - DAY

19

Belinda finishes the halibut. Then carrots.

BELINDA
Henry, they'll be here any minute!

HENRY
Where is that girl?!

BELINDA
Call her!

RING- RING- voicemail.

Henry tries again. RING- RING-

20 EXT. OUTSKIRTS - DAY

20

Hazel's phone is dead.

She slowly opens her eyes, rouses.

She tries to grab Sienna's pen, but Sienna wrestles it.

HAZEL
Gimme. Gimme... Babe, give me the
fucking-

Sienna tries to hit. Hazel knocks it out of his hands.

Hazel picks it up out of the gutter. It's got SEWAGE on it.

SIENNA
You idiot!

Sienna wrestles Hazel for another hit. The two fight on the gutter.

Hazel sends a punch. Sienna sends one back.

SIENNA
You're paying for that shit, babe!

HAZEL
Don't call me babe! Not you! Anyone
but you!

Hazel shoves Sienna off. Staggering to her feet, she runs.

SIENNA
Hazel! Get back here and pay for
this shit, bitchass!

Sienna runs after her. Hazel dashes.

In the distance, Petunia and Rosaline hear something.

PETUNIA
Do you hear that?

Her and Rosaline push the bushes.

PETUNIA
Hey! You good?

Hazel stops, glances around- and immediately gets TACKLED
by Sienna.

SIENNA
Say you'll pay me back, bitch! Say
you'll pay me back!

ROSALINE
What the, whatthe whatthewhatthe-

Petunia fumbles for her phone.

SIENNA
Pay me back, bitch!

HAZEL
Help!

SIENNA
Pay me back!

Sienna glances around. He notices Petunia.

He CHASES.

Petunia and Rosaline RUN.

ROSALINE
Call them Petunia, call the fucking
police!

PETUNIA

I'm trying!

The two notice a nearby river. It's filled with sludge.

Petunia turns around. Sienna's chasing them at full speed.

Hazel appears from the corner and RIPS Sienna's jacket, charging him.

OPERATOR

911, what's your emergency?

PETUNIA

There's a man punching- a bear
punching- ah!

Sienna runs after them.

OPERATOR

Hello? Hello!

ROSALINE

Just go, just go, just-

The two girls LEAP into the pipe.

It carries them down, down, down-

Into a LAKE WITH RUNOFF.

Petunia and Rosaline get up from the lake, panting.

PETUNIA

Oh my god, Rosaline, go, go, go!
Hello?!

The phone screen has a HAZARD LOGO. WATERLOGGED. The call turns off.

PETUNIA

Shit! Shit, shit-

21 EXT. TRAIN - DAY

21

Eve, Fergie, Dax, and Quisha sit on the train, staring out into the open landscape.

EVE

Guys?

The group glances at her.

EVE

When we graduate from high school
this year, are we gonna stay and
perform- you know- elsewhere?

The group glances into the city.

Fergie and Quisha glance away from each other.

EVE

Sorry. I know. Loaded question.

DAX

I have to stay home and help my mom.
So depends.

Fergie stares. He points at the distant city.

FERGIE

Fjord. That's the city I wanna go to
one day, and become a big guitarist
or something.

QUISHA

I wanna keep performing, but I gotta
go into law, so...

The group stares at the city.

FERGIE

So it looks like we all have
different goals? You, Eve?

EVE

I mean I hadn't thought that far
ahead yet. That's why I was asking.

A beat. The train wheels rustle against the tracks.

EVE

It's just hard making friends now,
you know. It's like, ever since
Bullock's been in office-

DAX

We're getting political now?

EVE

Sorry. We don't have to. But...

DAX

It's fine.

The wind blows.

DAX

Do we all support Bullock, by the
way?

QUISHA

Fuck no.

DAX

Ferg?

FERGIE

...No.

(a beat)

You wanna know something crazy?

The group glances at Fergie.

FERGIE

You know how the salary distribution was originally for fairness?

The band nods.

FERGIE

Well, I'm a fox. And um... when Bullock announced his whole "efficiency campaign," he included a lot of animals in the middle. So naturally my dad supported him.

Eve nods.

FERGIE

But... uh... I guess Bullock forgot about us. Vulpines- we're a separate species from canids, or dogs.

DAX

Really?

QUISHA

What percent of the cut do you get?

FERGIE

1.1%. Which is still okay, but compare that to canids who get 2.5% of the salary. Even though they're the same size.

The train wheels rustle.

FERGIE

I just hope that if Adeline does get the vote, and if she does balance the budget like she says she will, that she won't forget about animals like us, you know. Who are kind of in the periphery as far as medium animals go.

DAX

I get that. She will.

EVE

No, she will. She definitely will.

The wind blows.

QUISHA

I hope she doesn't forget, period.
You know how avians have this whole
caste system and what not?

FERGIE

Yeah.

QUISHA

Mammalia is just scared of having an
avian leader. Which is why I think
Bullock will win.

EVE

Don't say that.

QUISHA

No, that's what it comes down to. We
can talk all we want about
mobilizing injustice, pride... But
at the end of the day, what the
government fears is what they will
keep out. And they're scared of
having their power disrupted by
avians. So they'll skew the
electoral vote. Simple as that.

The wind blows.

QUISHA

That's the way I see it, anyway.

22 EXT. OUTSKIRTS - DAY

22

Hazel pants. She's dirty. They've stopped fighting.

Sienna's mouth curls into a chuckle.

He cackles.

He cackles until his mouth is dry.

Hazel gets up and quietly exits the outskirts.

SOMEWHERE ELSE:

Juniper keeps his head on Louis's shoulder.

Slowly, he lifts.

JUNIPER

Wanna go back?

They return back to the stone.

 LOUIS
Petunia!

 JUNIPER
Rosaline!

Juniper's eyes dart around.

He takes out his phone- checks signal.

There's some left.

Louis and Juniper nod at each other. They split up.

Juniper pushes foliage- until he hears them.

He pushes out.

 PETUNIA
Ahh!

 JUNIPER
Hey! Hey! What the fuck did you guys
do?

 PETUNIA
There- someone chased us!

 JUNIPER
What?

 ROSALINE
We gotta get out of here. Do you
have 911?

Juniper fumbles with his phone. He calls.

 PETUNIA
Yes. We just saw two bears fighting.
One of them was a grizzly, one of
them was darker? I don't know. No,
they're- no, we're safe.

Petunia checks her maps app.

 PETUNIA
South of downtown, about half a mile
out. Okay. Bye.

She closes it.

 JUNIPER
It couldn't have been Louis... He
was with me.

ROSALINE

No, it wasn't Louis. It was a black bear.

JUNIPER

And who was he fighting?

PETUNIA

A brown bear. She looked like Louis, but she wasn't.

(panting)

Is that racist? Fuck, is that racist? Am I profiling-

JUNIPER

Breathe, Petunia!

ROSALINE

Let's get out of here already.

Louis pushes past foliage. He notices:

HAZEL, RUNNING.

LOUIS

H-Hazel? Hazel!

Louis runs after Hazel.

23 EXT. DOWNTOWN - DAY

23

Protests are loud.

LOUIS

Hazel! Hazel, what?!

Hazel pushes past a protest crowd, trying to get lost. Louis barrels through.

LOUIS

Hazel! What the hell are you doing?!

24 EXT. LOUIS'S HOUSE - DAY

24

Hazel rushes to the front lawn.

Belinda and Henry up front, talking with a group of GRIZZLY BEARS.

The door is open.

BELINDA

Hazel!

HENRY

Where the hell you been?!

BELINDA
Why you covered in sewage?

HAZEL
(full volume)
Shut up!

The bear Belinda is talking to sends a squint at Belinda.
She hands Henry her beer.

BELINDA
(full volume)
Hazel!

Louis WHIZZES past the two.

HENRY
And that's Lou- ah, he's gone.

25 INT. LOUIS'S HOUSE - DAY

25

Hazel rushes to the bathroom. Louis BURSTS in.

There's chatter in the hallway. Louis peeks. He notices a bear, a tall bear, right in front of him, holding a beer.

Wait- it's not just in the kitchen. It's everywhere.

Louis's extended family is here. Louis's jaw drops.

It's full of chatter.

Until-

BELINDA
Hazel! Get out of there!

Some aunties glance over at the mess, whisper.

BELINDA
Hazel!

She bangs on the door.

Over and over again...

Then stops.

She PUNCHES the bathroom door, denting it- then leaves.

The house is quieter. Belinda leaves.

Louis, wide-eyed, shocked...

An auntie comes up to him- LUCIA.

LUCIA
Hey, kid! You're all grown up!

LOUIS
Uh... Who are you again?

The aunties laugh.

LUCIA
Oh, he doesn't mean that. I'm your
auntie Lucia.

Louis shakes hands.

The shower TURNS on.

Hazel hears BANGING on the door.

BELINDA
Hazel, use the tub! Stop wasting
water!

HAZEL
You don't tell me what to do!

Outside:

LUCIA
You know, I raised you when you were
so little.

LOUIS
(nervous)
Been so long, hasn't it?

LUCIA
(infantilizing)
Who knew our little boy would grow
up to be so strong?

Lucia reaches for Louis's cheek, but Louis raises his
hand.

Lucia stops. Her smile fades.

Her demeanor tightens.

LUCIA
Go get your momma and tell her to
shut her daughter up.

Louis BRUSHES past them. He wanders around the house,
looking for Belinda.

Belinda in the kitchen, moving around spices compulsively.

LOUIS

M-mo-

His uncle- RIVERA- pops out of nowhere.

RIVERA

(smug)

You little bitch!

RIVERA points and laughs. The other bears laugh at the size of Louis.

Belinda promptly turns around.

RIVERA

So fucking tall now! Look at you!
You wearing a snapback?

LOUIS

(nervous chuckle)

What's wrong with a snapback?

RIVERA

Nothing, kid, we're just playing.
(to Belinda)
At least you got the younger one
under control!

The men cackle.

RIVERA COUGHS- HACKS UP- a piece of black phlegm on his hand.

RIVERA

Ah, fuck...

He washes it over the sink.

Belinda, searching- grabs a letter on the top cabinet.

BELINDA

Outside, now.

26 EXT. LOUIS'S HOUSE - DAY

26

Belinda and Rivera stand outside, in the lawn.

Kids playing tag. Rivera watches.

RIVERA

Don't go to fast, Bertude! Careful!
(clears throat)
So?

Belinda shakily unwraps the letter.

She shows it to him. POINTS to the water bill.

RIVERA

What do you want me to do with this,
huh?

BELINDA

Two gran.

RIVERA

(shakes head)

Nah. No way.

BELINDA

Rivera, please.

RIVERA

You... you can go fuck yourself. You
know how much it costs to come to
the mainland? And here I was,
thinking this was about family.

BELINDA

It is about family.

RIVERA

Money.

(glares)

Don't go complaining to me about
your money.

BELINDA

But Rivera-

RIVERA

No, you made up your mind, man.

The kids play.

RIVERA

Sit down with me.

Belinda sits with Rivera.

RIVERA

Think we aren't struggling back in
Lakos?

Belinda glances down at the ground.

RIVERA

Think we aren't struggling, ah?

BELINDA

Rivera, it's not that I don't care-

RIVERA

You know, the reason why we are
struggling is because of you.

Belinda and Rivera frown at each other.

RIVERA
Because you took everything and ran.
Like all the other bears who came
here, selfish, instead of working
hard and making a name for
themselves.

Belinda's eyes water.

BELINDA
(holding back tears)
You made it impossible to live back
at home.

RIVERA
(quiet)
And you're part of the reason for
that. Don't play victim.

BELINDA
(wrinkles nose)
Who did you vote for?

RIVERA
Bullock. You?

The wind blows.

Rivera gets up. He goes inside.

Belinda stares at the ground.

The world is quiet.

She glances at the kids playing in front of her, the aunt
who plays with them, but steals envious glares at Belinda.

Belinda goes inside. She closes the door.

27 INT. LOUIS'S HOUSE - DAY

27

Louis sits on his bed, studying.

Belinda knocks. Comes inside. Sits on the bed.

LOUIS
Did you ask Uncle Rivera for money?
So how'd it go?

Belinda walks up to Louis. Louis turns around.

Belinda hugs him.

The mother and son hold each other.

Louis holds back tears.

Hazel lays on her bed, half-naked, crying quietly.

As the noise of the party fades away:

LOUIS (V.O.)
I'll talk to her, Mom.

BELINDA (V.O.)
It's okay. You do your homework,
though, okay?
(shaky)
Love you son.

LOUIS (V.O.)
Love you, Mom.

Hazel punches her pillow.

28 EXT. OUTSKIRTS - DAY 28

Sienna smiling at her.

29 INT. LOUIS'S HOUSE - DAY 29

Hazel closes her eyes and fades away.

In Louis's room:

Belinda glances out the window.

30 EXT. LOUIS'S HOUSE - DAY 30

A bear- Sienna- glances at the family.

He turns the corner and leaves.

31 INT. LOUIS'S HOUSE - DAY 31

Belinda glances at him, blinks-

And she hugs her son tighter.

She's protecting the wrong kid.

32 INT. JUNIPER'S HOUSE - DAY 32

Petunia and Rosaline are showering.

BUZZ BUZZ. BUZZ BUZZ.

JUNIPER
Hey? Louis? Yeah, I got 'em. Did
anything happen with Hazel?

Juniper leans on the wall.

JUNIPER

I see.

(nods)

Louis, something really did go wrong
with Petunia and Ros-

(bites lip)

Yeah. Okay, yeah, I'll see you
later.

Juniper ends the call. He wanders downstairs.

33 INT. EVE'S HOUSE - DAY

33

Eve enters home. On the TV is her sister, ERNIE, glancing
at the TV.

ERNIE

How was your day?

EVE

A lot.

ERNIE

(sighs)

Tell me about it.

Eve's eyes widen. On the TV: POPULAR VOTE- ADELINE.

REPORTER

Adeline wins the popular vote by a
slim margin. But will the electoral
college agree?

Eve sits down with her sister.

ERNIE

Get ready, Eve. This is it.

Eve glances at the TV. As the votes begin tallying, across
all districts in Mainland Mammalia...

34 EXT. TALENS - DAY

34

For the first time, the city is loud.

AN INFOGRAPHIC OF THE ELECTION, QUIET-

As electoral votes pile in, one by one.

A distant clock.

SWING 1, in the north- ADELINE.

SWING 2, in the east- BULLOCK.

SWING 3, Talens.

Bullock.

Distant yells, some cheers, many screams.

And as Bullock's name appears on the screen-

 LOUIS (V.O.)
When I say, fix it, you say pay us.
Fix it, pay us. Fix it, pay us.

CUT TO BLACK.
